Form 990, Part I, Line 1, Brief Summary of Organization Mission:

Earthworks is a nonprofit organization dedicated to protecting communities and the environment from the adverse impacts of mineral and energy development while promoting sustainable solutions.

Form 990, Part III, Line 1, Description of Organization Mission:

Earthworks stands for clean water, healthy communities and corporate accountability. We're working for solutions that protect both the Earth's resources as well as our communities.

We fulfill our mission by working with communities and grassroots groups to reform government policies, improve corporate practices, influence investment decisions and encourage responsible materials sourcing and consumption.

We expose the health, environmental, economic, social and cultural impacts of mining and energy extraction through work informed by sound science.

Form 990, Part III, Line 4d, Other Program Services:

Earthworks Partnership Programs: Earthworks provides back-office services (including payroll, accounting, and administration), a legal framework, and capacity building support to a variety of small programs (single staff, or volunteer only organizations) that share our mission of protecting communities and the environment from the negative impacts of mineral development. This year Earthworks served as the fiscal

ARO Working Group: The ARO Working Group's mission is to activate an international network of experts and change-makers who are operating in various capacities on the issue of environmental liabilities.
